

Application form for the scientific use of MiniSAVE

1. Applicant

Name:	Position
Institution and department:	
Address:	ZIP code, city:
Phone:	E-Mail:

2. Purpose of the request

Please, describe briefly for which purpose you use the requested material

The recipient of the data, as well as further users within the abovementioned department commit themselves to observe the following conditions:

1. The data can be used only for scientific analysis carried out in academic research and teaching. The use of the data for commercial purposes is strictly prohibited. It is allowed to pass the data to students for teaching purposes. After the course is completed, the students have to delete the data file and all copies. If the students are interested in using SAVE for their bachelor or master thesis, they will have to apply for SAVE according to the instructions on the SAVE homepage.
2. Passing on material to a third party, including (but not limited to) tax and fiscal authorities as well as other institutions, is not allowed.
3. In case further usage is intended after the completion of the project, the user must inform MEA.
4. No effort to de-anonymise the data will be undertaken.
